

## Iris Jubilee Willenbrock

June 1, 2021 - July 21, 2024

Iris Jubilee Willenbrock was born on June 1st, 2021. She was a beautiful, brilliant, and playful baby girl. Iris was both delightfully sweet and particularly salty, but her larger than life personality, quick wit, and exceptional ability to speak her mind were like a magnet for everyone who met her. She had what can only be described as a natural celebrity, a sparkle, a glitter, a glow. Everywhere she went, people were drawn to her light and they loved her. Tragically, on the evening of July 21st, Iris's light on this earth was extinguished and the halls of heaven exploded with color and life as Iris entered into eternity. As we celebrated her life and the beautiful memories we have made with her, let us remember to let her light shine in us, so all the earth might experience the beauty, love, and goodness that she so graciously shared with us.
