“ It was our pleasure to work with Ivy for many years. She was thoughtful, kind, funny and always impeccably dressed. She loved the Lord and loved others daily in word and deed. She was the very definition of a lady. Our heartfelt condolences to Slick and her family.

“ I could write pages about Ivy....I've known her my entire life. So many wonderful memories. Also, beautiful inside and out. I never have seen her when she wasn't beautifully dressed from her hair to her toes. Praying for you all during this most difficult time. Love,

“ Our family moved to Gardendale in 1975...Ivy and her family moved next door about a year later...Ivy, what a Special Lady!! Our family attended another local church in the neighborhood, but within the year our oldest daughter would go occasionally with Kim to GFBC. To my surprise months later, Ivy asked if our daughter had mentioned joining the church...NO. That was 39 years ago, and we are still attending...Thank you for your awesome friendship. We were Blessed to have you and your sweet family as our neighbors!!

“ Oh Ivy, how saddened I am to hear of your passing. So many memories of the time we worked together. I will never forget you taking time out of your busy schedule to come watch my son play baseball at Montevallo. Always a Christian. Always a Lady. I love you Ivy & you will be greatly missed. Your friend and co-worker, Gwen.

“ *Always the sweetest little lady. Took a day off work to go with us to Atlanta to see Leslie fly off to Hawaii for the Aloha Bowl. She was Leslie's Sunday School teacher.*
