“ What a truly wonderful man my Uncle Jim aka the old man was. He was so loving and kind and if you needed him he was there. When I moved back from Virginia him and Aunt Jean opened their home up to me and I lived with them for over a year. It was through him that I learned how a man should treat and love a woman. He loved my Aunt Jean with all he had and he was the perfect man to have as a husband a father a Uncle a grandfather and a shining example of what a man should be. I love you old man and I will miss you for the rest of my life. Thank you for showing me how to love and how to be loved. Your neice Kelli Orozco
