“ A very memorable time with James and Imogene Rice was when a convoy of about 5 of us with our RVs traveled from Alabama to San Antonio, Texas for Nazarene General Assembly and kept in communication with CB's. Wynelle Davis even taught the Sunday School lesson over the CB. What fun we had!

“ *I have lots of memories of James. All of them are good! He and Imogene made such a great couple in every way. I remember eating supper at their house and being stuffed with Imogenes' good cooking! I also remember that he gave us all kind of things from his garden! He loved his pickles and he loved making them! We came over to visit with him a number of times and he always made us feel at home and we always enjoyed talking and just being with him. I remember when he called me one year and asked me if I wanted to pick blueberries and I said Yes of course! We really miss him, especially in Sunday School class!!*
