

Janice Marie Hays

July 14, 1943 - May 11, 2020

Janice Blalock Hays passed away on Monday, May 11, 2020. She was 76 years young. Janice was the proud mother of a son, Johnny Hays, and three daughters, Susie Hays Timothy (Troy), Kim Hays, Nicole Hays Beckham (Tray). She cherished her six grandsons: Justin and Zack Hays, Taylor and Ethan Timothy, Will and Hudson Beckham, and her one great-grandson, Caysen Hays. Janice began her career as an employee at Blue Cross and Blue Shield in Riverchase. Her love for travel led her to a second career as a travel agent - sharing her favorite destinations in Europe and Africa and eventually creating and leading regional bus tours for antique "junken." Her bus tours further fueled her love for collecting and selling vintage items. Janice never met a stranger. She was known as "Nana" to everyone. She never forgot a face and always made time for a good conversation over a glass of sweet tea. Her warm heart cared for many dogs and cats over the years, and even included a small family of raccoons among her treasured pets. She leaves behind her beloved cat Jack and her dog Lucy. Janice will be remembered for her feisty spirit, her love of Mickey Mouse, and her heartfelt gifts and gestures.

The family will receive friends at Janice's home on Tuesday, May 19th from 5:00 p.m. to 7:00 p.m.. In lieu of flowers, the family requests donations be made to Corner Volunteer Fire and Rescue Service, 3105 Corner Road, Warrior, AL 35180, phone (205) 647-5515.

“ To the family of Janice Marie Hayes - I can't believe that Janice is not here with us any longer. I'm so thankful that God put our past together and I will always treasure the memories that I have of her and the fun that we had going to thrift stores, play Mall wherever, the little times that we just sat and talked, and the times that we just had a meal together was precious time to me. I know she is with Jesus, she's reunited with her precious Johnny, she is running the streets of gold, and she is completely healed now. I love all of you, her family, she talked about you all the time and she had a great great family to talk about so with that being said, I'm truly going to miss her. I love all of you.
