

Janice Ann Atkinson Pearman

August 16, 1944 - May 21, 2026

Janice Ann Atkinson Pearman, 81, of Mount Olive passed away peacefully on Thursday, May 21, 2026 at her home. She was born August 16, 1944 in Fayette County, Alabama. She is the daughter of the late Kelsie and Flonetta Lucas Atkinson. She attended Hayes High School and lived most of her life in the Birmingham area. She was a member of Robinwood Baptist Church.

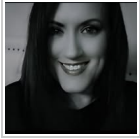

Ms. Pearman had a long standing history of serving in the medical field. She began as a nursing assistant at a nursing facility and also worked as a private nurse. She began her operating room experience at the Callahan Eye Foundation Hospital in Birmingham, Alabama, where she was a skilled surgical technician. She later worked at East End Hospital and it was there that her expertise was scrubbing vascular and general surgery cases. She retired from Medical Center East/St. Vincent's Hospital in Birmingham. After her retirement, she still provided private duty nursing to many homebound patients. Needless to say, she touched so many people during her years working as a nurse.

She was preceded in death by her father, Kelsie Atkinson; her mother, Flonetta Peters; brother, James Atkinson; sisters, Mary Rivers and Edith Logan and the father of her children, Alvin Orman Pearman.

She leaves to mourn her loss, her devoted and loving family: her sons, Barry Pearman (Dorothy) of Mount Olive and Brian Pearman (Lisa) of Argo; 6 grandchildren: Barry Pearman Jr. (Caitlyn), Brooke Nation (Colby), Stanley Pearman (Amanda), Jessica Ball (Mike), Taylor Pearman (Ethyn) and Abbie Pearman (Luke); 11 great grandchildren; devoted friend, Kenneth "Kenny" Brewer; and numerous nieces, nephews, and a great host of extended family and friends.

A celebration of life for Ms. Pearman will be announced at a later date.

Tribute Wall

“ *Janice was such a sweet and lovely woman. Always so kind! She will be greatly missed.* ”

Robin Crowder - June 02 at 11:43 AM

“ *Janice and I worked together at Medical Center East in the general surgery portion of the operating room. We worked with Dr. Lytle, Wood, Perry, Rollins, Smith, Miles, Schmitt and a few others. Janice was always exceptionally prepared and showed her love of our patients and team members with her knowledge and application of sterility , procedures, instruments and surgeon’s preferences. At her retirement, she was missed by all her team members but especially Dru the RN circulator who worked side by side with Janice for the last years of her operating room career. I’m sure she is now using her expertise in that part of heaven where we are all healed for eternity. Prayers for all Janice’s family members and friends as they grieve.* ”
