“ I am so sorry to hear of Jerry's passing - it was such a shock. I met Jerry while I worked in the Grill at Cumberland Golf Course. He always had a smile on his face and something funny to say. He often spoke of his family and his enjoyment of dancing with his wife, Rose. He was quick to show you his picture of he and his wife. Jerry enjoyed life and had many friends. I know he will be greatly missed by all, especially those he golfed with for so many years at Cumberland. My thoughts and prayers go out to you and your family.

With deepest sympathy,

Donnie Cantrell

“ Jerry was here at the golf course just about every Thursday and Saturday. He was full of life and always had a joke. He would always say to me "how much do I owe you, if I was going to pay you... That's to much!. Then he would grin and pay. He would always talk about his bride ROSE, and then pull out his phone and show her picture, I have never met her but feel like I know her through Jerry. You could tell each time he spoke of her that he loved her very much and was proud to be her husband. She was the love of his life. The staff at Cumberland Lake Golf course will truly miss Jerry Brown and all his antics and sayings.

Jerry I hope you get a good tee time in Heaven, and they have a diet grapico and a reese cup waiting for you on the Turn... "Hit'em Straight" we love you.....M
