“ *Jerry was like a brother/uncle/friend to me all my life. He was actually my mom's first cousin, but I grew up around him and his mom, my wonderful Aunt Etta, was like another mother to me. He always had a smile and friendly hello for everyone, but his greeting to me was always, "hey good looking". I will miss hearing that voice and seeing that smile again. Love you Jerry and will miss you, but will see you in Heaven some day.*
