“ I grew up with Glenn Farris and his brother Ronnie and sister Linda in and around Birmingham. When I think of Glenn I remember all the fun Glenn, Ronnie and I had when our families visited each other at home or when we were at church together. We also met at Kiddie Land park many times for a picnic and rode the rides together and played games in the game room. We always had a lot of fun together. Glenn was a fun person and we had a great time. Our lives have not been as close during our grown up years mainly because of the separation in miles but nevertheless I still have always maintained a positive attitude toward my cousin, Glenn. We pray our Heavenly Father gives his family peace in their heart and the love of our Lord to guide them through the days ahead.
