“ I was so sad to see of Jerry's passing. He was always so much fun...I remember in high school, He was a little older and had a license and a car and He & I ran up to Jiffy Check to get a bag of those BBQ sandwiches for lunch - I think they were 5 for \$1 so I am SURE it was high quality meat LOL - I am Also sure we were NOT supposed to leave the school for lunch.....But while we were there - in our hurry to get the lunch and back in time for class he ran over the concrete barrier with the front tires that divided the parking spaces and got his car stuck. I can't remember what our excellent excuse was for being late back to School or how he got the car off of that barrier??? I wish I had asked him once we reconnected via Facebook

My sincere condolences to his family ~ he was one of the good ones for sure! Janice Myers Kawa

We are going to miss Jerry so much! There are not enough words to describe our friendship. We've had so many adventures together and shared so much laughter as well as tears. It's hard being separated, but I know we will see you again, soon. Marty & Teresa

“ *Jerry and I ran around together in the 70's and we're very good friends. We made lots of memories together going on trips, working together, hanging out with family, I loved his family especially his Mother, Marilyn. We were in each other's wedding. We had some wonderful times together. We kept in touch over the years as we married, had kids, and then grandkids. His passing had left me very sad and heartbroken.*

Jerry will be truly missed by his friends who he made some of his best memories with way back when. Fly high my friend until I see you in heaven as promised.
