“ Jerry was my first cousin and a good friend. I was in Alabama last week and I thought about going by the auto part store to say hi. But I got busy with my kids and grandkids and I decided to wait til next time I'm in town. It's funny how such a small decision can cause so much regret.

Karen - I only met you once or twice but my mother had so many nice things to say about you that I know you are a wonderful person. May God be with you. My heart breaks for you and your family (myself included). I would be there if I could. Give Jean an extra hug for me. I love her so much.
