“ Praying for the family in this time of loss.
May God comfort all who have been impacted by this loss.

I am disappointed to see such a uncompassionate, dogmatic, judgmental and condemning statement posted by some on this site. On behalf of other believers we apologize for the poor example of unGodly compassion. This is a time to demonstrate love, compassion and the grace of God to those who are hurting from this loss.

I say to everyone God's grace is sufficient and his mercy is long reaching. This loss is not the work of God.. it's the work of Hell. God is loving and caring. He has no Glory in destroying lives and families with sickness. We pray God's peace and love be felt by each and every person hurting from this untimely loss.
