“ *Always called him Dick. He was a great brother in law. It always amazed me how much talent he had. I always love to hear him play his fiddle. He always was such a good man. Didn't get to see him and Billy cause of living in Arizona. But they never left my mind and prayers. And I always loved his kids so much. I've never forgot the days when I picked up Ricky walking with a guitar. I stopped an said get in Elvis. We were good friends. Dick lived a good life an was a great man an my heart goes out to the whole family for the loss of this man. Love and prayers to you all.*
