“ *Mr. Myrick was a quiet leader who made an huge impact on everyone he encountered. There are few true saints on this earth and he was elite in that arena. He, and his family were always there for us when we needed anything.*

I cannot count the number of tips he gave me on gardening and raising vegetables. I learned so much from him.

He was a gentle spirit and his influence on us all will be sorely missed.

“ *Jim was a good husband, a good father, and a good man. I've known him since Myra brought him into the family and never knew him to be anything but kind, generous, and caring. He will be missed.*
