“ *Brenda, we have so many precious memories of Don and you as well. It broke my heart when I heard about the accident that could have been prevented. We loved being with you and Don, Linda and Jerry when we went to Branson. I have tucked those memories close to my heart and i shall never forget the good times we all had. Give Laura and Jason our deepest condolences for the great loss of the dad they loved and for you the partner and friend you lost when you lost Jim. I am truly so very sorry for the loss all of you have suffered. We thought so much of him and he will be missed for sure. My prayer is that the many good memories of Jim will overcome the bad that took him away. Love and prayers, Mavis, John and Gina*
