“ I miss you TaTa! I love you more than words can explain. And I've never forgot what you told me: " I will always love you no matter what." It feels like forever since I've seen you.. I know your with me I feel you here all the time at the house. But now you have MeMe up there with you and neither one of you are hurting. Yall be good up there and make sure you watch over all of us down here. Fly high old man! You may be gone but you will never be forgotten! I love you TaTa!
