“ I knew something must be wrong. I hadn't heard from John since February. I kept sending notes and trying to call, but no answer at his home and no response to letters. I was so sorry to see his obituary online. He was a faithful supporter, as was his wife, Bobbie Joyce. Bobbie was my Mom's (Melba McCarter's) first cousin. When my mom passed in January 2012, I called Johnnie to let him know. He was so gracious and we had a wonderful time remembering Bobbie. She once told me that she prayed for me every day, and I believe it! I miss her prayers, and now those of John as well. May they both enjoy and revel in the glorious life they have now with their Lord.

With much love,
Belinda
