“ Johnny and Tim were two of the kindest and caring people we have ever met; they instantly became family to us and us to them. We would plan a trip monthly to go camping just to get together and would plan vacations to travel and be together. Johnny was known to us a "Big Dad" and he always offered advice. When we moved, they came over in their motor coach and helped; they would not take a dime for payment. When Johnny had bypass surgery we surprised them upon his return home with a visit and a fruit basket; his eyes lit up. Johnny could keep you laughing; we have many wonderful times that we will cherish forever. We love you Johnny & Tim!!
