“ I loved it when Joyce would share childhood memories of her and Robert. Today I could hear her laughing and telling me about when Robert was just learning to talk and once said " by-odie Joycie, by-odie" when he as a toddler. Everyone offered him everything in the house but nothing seem to be the "By-odie" he so desired. After I recovered from the news my first thought was, well there's a party going on in heaven. Joycie and Brother are again enjoying each others company! J.P.

“ I live in Texas and did not get to see my Aunt Joyce and Uncle Randall very often, but I have fond memories of being in their home. Joyce was a gracious, warm, southern lady. She was an excellent host, and a good cook. It was always a pleasure to visit with her. I rejoice with her family that she has been healed and is standing tall and straight. leaping and running through heaven with her love ones.
