“ We will miss Mrs June for sure. She was a special lady, and we always talked before and after church when she sat in front of us. She always wanted to know if we had stopped to eat at a restaurant she had recommended on our way to Port St Joe. We always stopped at it on our way in. Thank you June, RIP! ❤️

“ Great memories of her from West End Ball Park and trips to Florida. Her smile touched some many people. My Dad always looked forward to her calls. Praying that the Peace that passes all understanding comforts the family.
