*I have many wonderful memories of my young friend, Kalyn. As her third and fourth grade Sunday School teacher, I remember her sweet and quiet spirit, and always showing love and care for others. God gave Kalyn a special gift. The gift of sharing. She was able to express and share her love with her talents. She sang like an Angel, using her voice for God. She used her hands to make lots of love gifts she shared.*

*Her hugs and precious notes expressing her love and the little gifts she made me meant so much to me. These acts of kindness helped heal the pain in my heart after loosing my precious Daughter, Susan, in an accident.*

*Even after leaving my classroom, Kalyn would stop by each Sunday and with her beautiful smile, and often with a gift she had made, and a sweet note, she would give me a “Big Hug”.*

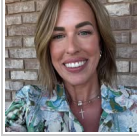

*One special memory, a short time ago, she quietly came into the classroom, slipped up behind me, and as I turned, she gave me a warm hug and said, “I’ve got you something.”*

*It was an 8 by 10 picture she had painted. These words “LOVE GOD” were written on a cross. I will always cherish it along with many little blessed gifts and notes.*

*Kalyn will always have a special place in my heart. With my love, Mrs Miller ❤️*

“ I didn't know Kalyn or her family, but Finn went to school with her at Wonder Christian Academy, and they were good friends through the school year, exchanging notes and pictures. I am absolutely heartbroken at this tragedy and we are praying for her family and all those that knew her. I just wanted to share a couple of the sweet pictures she drew for Finn that he cherishes. You will be missed sweet Kalyn!

“ Kalyn was so loved by all the girls in our homeschool group. She was a little older than most of them so they looked up to her and thought she was the coolest girl (and she was)! Jude absolutely adored her, and she will be so very very missed.

“ Sweet Beloved Kalyn blessed our family from the first moment that we met her, shining as an example of love in the blood of our Lord and Savior Christ Jesus. She not only loved befriended my daughter who was greatly suffering, but ever showed us to love and taught us to be who we are in Christ with our uniqueness and creativity. I am forever honored that she shared with us her love and joy, but most of all she taught me to embrace our life as it is, for that is the true gift of love given to us. We are ever grateful for her gift. We love you Kalyn and we thank you for the love that you gave us!
