“ I'm sorry for your loss. I lost my father last year so I can understand your pain. Death is never easy to accept which is why it's called an enemy in the Bible at 1 Corinthians 15:26. Jesus gave us a hope based on the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So, we will be able to see our loved ones again by means of the resurrection. At that time we will never have to lose them again. Why can we say that? Because God has promised us this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Ms. Simmons

“ I was deeply shocked to find out about the loss of Kathy today. She was a trusted adviser of mine since the day I lost my Father 11 years ago. She was an immense help to me through that terrible time and my thoughts go out to everyone who is saddened by this loss, especially her family. This is truly a sad day, but I will always treasure the advice and support she gave me.

“ Dear family of Kathy, We were so shocked and deeply saddened to see an obit with Kathy's name! She was our investment manager for many years at Regions/AmSouth until she moved to another department. We always looked forward to our meetings together and were so sad when she no longer was our advisor. She called just a couple a weeks ago when she heard about our house fire. I told her then how much we misses her. We cannot believe she is gone! Our prayers are with your family. Kathy was indeed a very special person. Sincerely, Caroline & E.T. Brown

“ Amy, David and family - My heart is so saddened to hear of Kathy's passing. I saw her many times in the lobby and she spoke often of her kids and how they were doing. Kathy was a wonderful mom and it was evident that she was so very proud of her children. Your family will be in the thoughts and prayers of my family.

“ David, Amy and Family: I worked with Kathy for 20+ years at Amsouth in the Personal Trust Dept. and we were very close friends. I retired in 2002 and had lost contact with her until she came into Southern Heritage Funeral Home where I was working part-time, to leave a payment for one of her customers' services. Kathy was such a wonderful, remarkable, loving, funny and intelligent person. I'm sincerely saddened to learn of her death. If there is anything I can do for both of you in the days ahead please let me know. You all will be in my deepest thoughts and sincere prayers that God will take care of each of you and see you through this most difficult time. Helen C. Bentley
