“ Michael and I miss you, Keith. We never saw you without a smile on your face and an upbeat comment. You fought a hard battle and you won. You are now in heaven with your heavenly father watching down on your family. Rest in peace sweet friend. To Johnnie and your family, we are keeping you in our thoughts and prayers during this very difficult time. Love you!

“ I have many childhood memories of Keith. Although the cousins drifted apart over the years the memories and laughter will always hold a special place in my heart. He will be greatly missed.
