“ Me, Colton, and Jayce sure will miss seeing G Daddy this coming football season! The first time we met G Daddy was at Bill Noble ballpark during the 2020 Gardendale rockets youth football season. He helped Colton overcome some pretty tough emotional issues by just being a friend and a positive voice in his life! I'm forever grateful and So thankful we got to meet such an amazing friend, Dad, Grandad, and Coach! Prayers are going up for this family! ❤️❤️❤️ He will be missed by so many people!

“ I and my family are filled with sadness at the loss of a good man and a good Marine. Keith and Denise and I go way back to the early '80s where we met in the Marine Corps. We all became fast friends as we shared very similar values and beliefs along with a tremendous sense of humor. Then, the miles, and life in general, got between us for a long time. But, when we had the opportunity to get back together again several years ago it was as if we were never separated. Just as it was back in the '80s we had the pleasure of meeting each others families and once again they/we all became fast friends. We had the ultimate opportunity a couple of weeks ago to get together on a weekend to be with Keith and his family to lift his spirits and get to enjoy each others company again. And lift his spirits we did as we shared old stories and laughed and enjoyed being together in what became some of his last days. I, and my family, will treasure those memories most of all. I, personally, am so glad that my family finally got to see for themselves that I wasn't exaggerating through the years at what great people Keith and Denise are and what a wonderful family the entire extended Webster family really is. We pray for you all in this time of sorrow. Keith, my brother, you are now one of God's personal Marines and we all know you will make him proud just as you've done for us. OOH RAH!
Rest in peace brother. We all Love You and look forward to being together with you once again in the presence of God!
