“ *I am a first cousin of Kellie's father, Michael David. I hate that I do not know his children, but time and distance is my excuse. Please pass my heartfelt condolences to Michael David (as I have always called him) and family. For a child to be lost at such a young age and her parents left to mourn her is heartbreaking. As I said I didn't know Kellie but my heart now aches for my loss of never getting to know her. Pam Todd*
