“Wow I was so sad and heartbroken to hear about my friend Ken!! Ken was not only by good friend but he was a brother to us. I can't tell you how many good times we had together growing up going to Turkey Creek going over to the cement slab over in the woods sitting around having a cold beers listen to good music Marshall Tucker Band. He had that unique laugh and smile. When he met Julie that was a huge blessing in Ken's life. And to the family Julie and your kids and Miss Goodwin. I'll keep you all in my prayers and just know that I love you and I'm so sorry. I know he's in a better place. And that's what I'll keep thinking he's up there with the family now having a good time with my brothers. Also one other thing we had in common we was both huge huge Auburn Tiger fans. PS I can't wait to see my family and my friend Ken on the other side. May God bless you all and keep you all safe. With love always Donald Leatherwood Atlanta ga.
