“ Family and Friends,  
I want to personally thank you so much for the thoughts and prayers for my family. Only God can heal this process. I wanted to take a moment to share a little insite to my wonderful Daddy:  
He was the most strong and thoughtful man that I know. In my eyes, a person of intergrity and honesty. I looked up to him in every aspect of my life, which may be the reason for my present singleness- no one seems to measure up to the type man he was in my eyes.  
I will miss him, immensely, more than words can ever express!  
Please continue to keep us in our prayers. Thank you very much, I love you each of you. God Bless you and your family too!  
Love In Christ Tina
