“ Leroy was my father in law and was like my own father to me. We could sit and talk for hours about everything and we often did. Most of our conversations were about his wife, son, and grandchildren and nothing was more clear than how much he loved them. I'm very grateful for the time I was blessed with being able for him to call me "daughter" and he has a permanent place in my heart. I'll see you again one day Leroy. I Love You!
