“ We will remember the whole family in our thoughts and prayers. Even though we cannot be in Alabama at this time to share in the farwell to Diane's earthly body, please know we are there in spirit. She has gone to her forever home, and is in the presence of our wonderful Lord and Savior. When we get to heaven we will rejoice in the fact that most of those we love are there, what a reunion day is waiting!!! We send "Our Love" to all of you.

“ Kelly and I send our sympathies on your loss. We know that Leslie has gone on to be with the Lord and that her battle is over with and that she has earned her reward. She fought the good fight and finished the race just as the apostle Paul had written. Our prayers and thoughts are with you during this difficult time.

“ The world has lost a favorite friend! Leslie was a champion in life and as a friend. I loved her dearly and thought of her often. Although circumstances and miles have separated us over the last few years, she was always on my heart and mind. The world will never be the same. Cheer UP! It won't be long till you get to see her again and she will be as happy and healthy as can be! I love you guys!

“ Leslie was such a wonderful, loving person. I will never forget how sweet and caring she was to our mother Dorothy Vines in her last illness. She had a smile that lit up the room. I love you, Leslie. I know you are with Jesus now. You are seeing all our loved ones in heaven, and you are now wonderfully without pain. Love, Jan and Donald
