“ A lifetime of memories of Mr D, most recently being able to share my family in Dahlonaga and Kimberly, and giving them the privilege to know and love him too. Such a great man with a silent command for respect, yet one of the biggest Daddy hearts ever. We love you and wish we could hug you all right now.

“ Wayne & Carol always open their home to others. Will always remember him taking my dad, Hayden Jennings, son Paul and myself fishing when they lived in Keystone Heights, Fl. He loved his family very much!
