STANDRIDGE, LOUISE MOREMAN, 73, of Hoover, Alabama, went home to be with the Lord on December 7, 2008. She was a wonderful Mother and Grandmother. Dedicated to her career in Nursing, Louise spent 51 years serving the Lord through meeting the needs of her patients and co-workers. She has been actively involved in Infection Control and the Alabama Chapter of APIC for 31 years. She was recently honored as one of the top 10 Medical professionals in Alabama. She always had a heart for patient care and most of all for the people she worked with. She was preceded in Death by her brother, Alton Moreman; daughter-in-law, Debra Standridge and Grandson, Erik Beem. She is survived by her Sister, Kansas Price (William); three children: Jeffrey Standridge (Connie), Timothy Standridge (Alisa), Daryl Standridge (Allison); 7 Grandchildren, Bradley Standridge, Brandon Standridge, Timothy Standridge, Griffin Standridge, Jackson Standridge, Steven Mirabito and William Mirabito and many other family members and friends who will miss her dearly. “ I will miss Louise the lady with the turtle neck blouses and tops. That was a trademark of hers I will remember. While I was still on Carraway;s payroll she was leaving the building saying she hoped she could get another job. We seniors over 60 know that one well. Unfortunately she never got that chance to serve in her long time trade. The trauma of Carraway's closing took the worst toll on one who served the patients well. I pray for the family she loved as well as those of us who worked under that blue star.

“ I feel honored to be one of Louise's friends from Carraway. She was always concerned about all our problems. I always felt better after speaking with her. She was a classic lady.
