“ Debra, this is Doneva Stricklin Jackson. You may not remember me but I worked with you at Collateral Investment and I worked with Vann at Yeildings in Gardendale. I am so sorry to hear of Vann s passing. Just know we are praying for you and your family for comfort and strength. God is the only one that can provide this. I always thought you and Vann were for sure made fir each other. Reading the obituary it looks like God has truly blessed your marriage. On a lighter note when Vann and I worked at Yeildings I would sometimes come back from lunch and he would have his trunk open and sitting having his picnic lunch. He could always brighten your day. When my husband pastored Mountain Brook Baptist Church Vann and his Daddy would visit our Homecoming and his Daddy would lead some songs in the afternoon. I still consider you both as friends even though that was a while ago. Praying and love all of you!

“ I worked with Van at DHR, he was one of the sweetest, Christian man I have ever had the honor of working with. It breaks my heart to hear this, I know he loved his family so much he spoke of you with great affection. May God grant you peace. He was a wonderful man.
