“ I wasn't able to confirm that you were truly gone until recently. Thank you for all the gifts of yourself that you blessed me with. The music, cards, jewelry, food, recipes... you were my second Mama and I love you always. When daddy died, you said you missed yours every day despite the years. I'm glad you're with him. I love you, Bette.

“ My thoughts are with your family. May the words in Isaiah 41:10,13 give you hope and comfort.

“ I'm so sorry Isabel and I are unable to attend. Such a nice photo of her. I'll never forget her cooking or her singing and playing "Under the poplar tree" for me. She always made me laugh with the way she fed the dogs and treated them like humans! She was a wonderful wife, mother, friend. My heartfelt condolences go out to all family and friends. Love, Sam & Iz

“ I am thankful for the time we spent together. I enjoyed your wacky scene of humor and many stories of family. Thank you for sharing recipes and trying to show me a few things. I'm gonna miss you and so will Angus

“ So very sorry to hear of the loss of my dear aunt...She was a very sweet lady, and very talented ,I can remember fond memory's of being a new wife at the holidays , she would give us each these beautiful dish towels, I sure wish I had not wore all mine out..She also was a super good cook, and she had some of the prettiest gardens that I ever have seen, she worked really hard at them, but really enjoyed them too...She will be truly missed.
