“ *Marilyn will now be with her heavenly father that she loved so much and we will see her at a later time. She was my 'little sis' since she married my Big Brother, Harvey. They were good for each other and best friends. She was only a few weeks younger than me but we joked about me being 'the older one'. I loved her humor and that little gleam in her eye she would get when she was kidding with you. I will miss hearing her 'I love you's' that always ended our conversations.*
