“ *Annette will be missed dearly. She and her family are wonderful friends and like family to me and my (The Wynn) family. We went to church together for many years and visited each other and even lived next door to each other. Annette and her sister Frances were like older sisters to me. Annette was a great Christian and loving person who I loved being around and have many fond memories of. May the peace of God fill the hearts of her loving family and give them strength now and in the following days as they deal with losing this special loved one.*

“ Way before Annette got sick and I believe before she married David, Annette would call me everyday. She always started the conversation by saying I'm just checking in and then we would start talking. I always looked forward to her call and hear her say, I'm just checking in. I Loved her, probably more than she ever knew.

“ I am so sorry for the loss of Annette. I am so glad I got to know her and her family. She was a very nice person and I thought a very pretty lady! I loved how she answered the telephone she sounded so elegant when she would say Hello I will never forget her. So thankful for knowing her! Many prayers to all of the family!

*Annette and I were friends a long time. She had text me one day and told me she was on Facebook that we could start texting each other that way. We didn't get to see one another except at the Gate City Reunions. She was truly a great friend. This took me by surprise when I saw it on Facebook because I had recently messaged her. God keep you in Perfect peace my dear friend.*
