“ I am very sorry for your loss. I knew Mark for more than 30 years and the one thing that I always noticed was he was full of love and life and laughter. He loved his family abd his friends dearly. I always told him that if more people were like him the world would be a much better place. May his happiness and joy abd laughter shine through to his family, because he would want you to keep on going but keep him alive in your hearts and yojr memories. May god hold you close and give you the strength you need to get through this difficult time.
