“ When I was a kid we were at the beach, Marlene and I were in the ocean and I was on a blowup float and a wave hit us and I got knocked off the float and went under the water and she finally ended up grabbing me by my leg and pull me back from under the water. We had a great time!

I remember going camping all the time with Randy, Marlene, Eric and Tony. It was always my Uncle Pete my mom and my cousins and sister. Some of the best memories I have was camping with the whole crew. Eric was just as bad as I was ready to get in the "water water"!!! R.I.P Marlene you will be very missed. I know in my heart I will see you again soon 🙏🙏

“ *Marlene always shared a funny story from when she was first getting to know the family. I was four or five and we had a family day at pine dale shores. While in the water she picked me up and held me in her arms. For some reason I pulled her bathing suit top out and said “There’s water in there”. Needless to say she was so embarrassed and everyone said nothing! We did have fun the rest of the day, with many more memories!*

I love Marlene, she was so beautiful and sweet! She will be forever in my memories!
