“ So sorry to hear of Martha's passing. Many years she became my beloved sister in law .Her brother and I parted ways many years ago but Martha was always my sister in law. She would introduce me as extended family and for years was there for me. Over the years we lost touch with each other. I will always remember her helping clear the table after a family meal and picking up little bites here and there as she cleared the table ,as if she did not get enough to eat. My daughter Diane used to mimic her when she was little. Love you Martha. You will be missed even tho it has been a while. Danny ,Ronnie and Teresa I love you all and you and the rest of the family are in my thoughts and prayers. Love, Geraldean
