“ *So many good memories during our 30+ years of friendship but the one that stands out the most was riding the mechanical bull years ago. We always laughed our way through life. I'm going to miss our daily phone calls and sitting on her deck listening to oldies music. See you soon dear friend. Can't wait ❤️*

*I'm sorry to hear of Martha's death. As a friend of her brother Terry, I have been reflecting on the times years ago: watching her and Lynn making a big batch of tamales in the kitchen Terry had remodeled, Christmas and New Year's Eve gatherings at Ford Ave where anything other than oldies on the stereo would be quickly changed back by Martha, learning to swim in her backyard pool in Gardendale and many other memories. She brought laughter to those moments. I'm sorry I can't be there today, bye Martha.*
