“ I loved Melba in her clown outfit. I often look at the pictures she gave to those of us in our Friendship Group. Such a sweet, lovely, funny lady. Geraldine "Geri" Behrendt

“ *Melba, you will bring the same joy for living to your Heavenly Home as you did here on earth. You will always be in the hearts of your friends at Community Grief Support, especially the ladies in your Friendship Group! We loved you so much, we let you put clown noses on us in the restaurant at Botanical Gardens. And we know you loved us right back. There will never be another Thanksgiving quite like the one you shared with us at your beautiful home. Whatever they eat in Heaven can't be any better than what you prepared for us that day! One day when I get to Heaven, I'll be looking for an angel with a big smile, a clown nose and a pocketful of funny notes.*

*Love you, Melba!*

“ *Grandmother could be very generous. One time Grandmother knew we could not afford to get me a dress for my prom, so she paid a seamstress to make me one! Some of my favorite memories of Grandmother are her playing with Anthony. They were so cute together!*
