*I am so very sorry for your loss. Your son/brother was a good friend to me. I first met Hare Bear 1989, I was 19 years old he was 24. Seems like yesterday we would get ready to go watch him play soft ball (he was a great Ball player) or go dancing at JT's all night, I can still see him smiling, singing and dancing to Michael Jackson "The Way You Make Me Feel" (Hey pretty baby with high heels on...he loved that song) no matter what we always ended the night at the Huddle House laughing, joking, cutting up "One Good Time". His passing is a terrible tragedy for all of us who knew him. I know that he came from a good family and that you loved him very much, as he did you. He always spoke in the most glowing terms of how much his family meant to him. I admired all those wonderful qualities that made him the special person that he was. He had wit, charm and a caring heart that made him a great friend. I will always be thankful that I had the opportunity to know him the way I did and to call him my friend. Friendship does not end at death. It is eternal. I will cherish his memory for ever. I wish you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts.*

*With Love,*

“ Mike (Hare Bare) was a wonderful friend to me and to all of his friends. He had the biggest heart made of gold as any body I know. He always did everything he could for anybody who needed him, no matter what it was, he was there. I have many memories of him and other than throwing darts with him, the most recent would be a trip he made with me and Faye Pate, another one of his dear friends, to the Waffle House about two months ago for breakfast. We all laughed and cut up and just had a great morning together. Hare Bare loved Life and he loved everybody and I know I'm going to miss him greatly but I can just see him greeting our other friends who have gone on before us. Ya'll watch for me and then some sweet day we will all have a grand ole time together but until then I love you and I miss you Hare Bare, my friend, from your friend, Sharon.
