“ To Michael and to all of the family, I am saddened by the loss of your precious loved one.
Please be comforted in the fact that the minute that he took his last breath on Earth, he was escorted by Angels to be in the presence of his Lord and Saviour, Jesus Christ. He received a new body, far more beautiful and perfect that we can imagine. He is gloriously happy now because he'll know no more sickness, pain nor the sorrow of parting.
My prayers will be with you as you go through this difficult time of parting. The parting, however, will only be temorary.
Love and prayers,
Jim Parr
