“ I’m so sorry to hear of Myra’s passing. We grew up near each other, road the school bus together, and, my late sisters, Lois and Joyce, and I, attended Thompson Schools at the same time as the Mulkey girls. Mrs. Mulkey was great friends with my Aunt Frances Watts, who passed away in 2014. My Mother, Faye Reach, celebrated her 100th Birthday last Fall.

It’s so sad to loose such sweet childhood friends. I know Myra will be greatly missed by all who loved her. Praying for Peace and Comfort for each of you in the days ahead.

“ *Your mom was such a blessing to us as was your dad. She had a heart for others at all time always had a smile and was always will to spend time with you no matter what. She was a blessing to our daughter and an encouragement to her helped her through hard times at school and tried to do everything she could to help her. I know she will be greatly missed but its a comfort to know we will see her again and catch up with her and your dad then. God bless you all, praying much for you all.*

“ *I will miss Myra so much. She was a true Believer and friend. Also my sister in Christ. She always brought me jars of soup and veggies she canned from her garden when she came to visit at Christmas time. I know she is safe in God's care now and that is a comfort. My heart hurts for her loss. And I pray her family will find comfort in the faith that she shared with them.*
