“ My heart breaks for Arlin and the Wilsher family. At the drop of a hat Nancy was always ready for travel and adventure. From a girls' trip to celebrate our March birthdays and to Austria for a musical festival, she had so many funny stories to share we were in stitches laughing constantly. I've been blessed to know Nancy over the years and grateful for the fun memories. My love and prayers are with the family. Vickie Terry

“ I am really going to miss Nancy. I am the oldest niece of many nieces and nephews and she wasn't much older than me. When I was young, she would babysit me. I guess I will now have to admit “you ARE the boss of me” as she will probably be watching me always. Love you Aunt Nancy! You will be missed.
