“ Ruth was a great friend,knew her from when our children were in the Band at Gardendale High school. She was always a big help to the band .i loved to go visit her and we would talk for hours. She was a great seamstress. She copied christing dress for me ,that my granddaughters wore. I had the original in a case and didn't want to take the original out. That dress she made was worn by my two granddaughters. It was just perfect in every way. She was a perfect friend. Always ready to help where she could. Our Lord will be pleased that she lead such a wonderful life sharing with others.
