“ *My dear mother it was the way that you protected your children.*

*It was the enduring love that you showered us with.*

*It was the undivided attention that you granted to each one of us.*

*It was your I Love You's that you said constantly.*

*It was your willingness to quickly forgive our shortcomings.*

*It was your loyalty you bestowed upon your children.*

*It was your never ending support for us all.*

*It was your endearing adoration you held for your grandchildren.*

*It was your overwhelming love.*

*Mother all of these things were all of you.*

*And, everyday in the future Mother all of this is Still All of You.*

*Until we see each other again Mom.*

*I love you to the moon and back!*
