“ I was so sorry to hear of Norma passing away but I know she is in a better place. She was always so kind to me and I have lots of fond memories of her and Malone from when I was little. It seems like I spent at least every other Saturday night at their house where Norma would make snacks for me and Janet as we watched wrestling. Such a wonderful lady and sweet family. I love you all and am praying for your comfort.

“ There are so many moments it is hard to choose. BUT it has to be Nonnas and my day locked in the cemetery ! Long story. But a good one. Miss you Nonna. You gave me great advice while I knew you. Like " if a man can't do more for you than you can do for yourself, you don't need him! This was after my divorce! Lol

“ Aunt Norma's kitchen table was where many family stories and many laughs were shared. It was not unusual for that ole round table to be full until the early morning hours. We will miss her, I loved her dearly for as long as I can remember, but we must remember that last night when she passed from this world was a happy time for her when she was reunited with her mother, daddy, brother, husband and precious grandson what a reunion they must have had. I will miss her.

“ Norma was a wonderful woman who made a huge impact in my life. She was a hard working, wonderful, loving, Christian lady. She loved her family with all of her heart. She had a contagious laugh that would fill a room. I believe God puts people in our lives during certain seasons for a reason. I know Norma was in my life for the purpose of sharing who God was to her and guiding me through some of the most impressionable days of my life. I will never forget Mrs. Norma Jean Wood and what she meant to me. I will be praying for all of her family during this difficult time. We all know she and Pa Pa "H" are having a glorious reunion.
