“ To the family of Ms. Macke: My family and I are very sorry for the loss of you dear mother. What little time we were neighbors she was the sweetest person. She will certainly be missed. We are praying for you and will continue to do so in the days ahead. Just know she is in heaven now watching over all of you.

It was our privilege to participate in her life during what is such a difficult time. We always learn so much about living and courage from our patients and their families. She will remain in our hearts and memories.
