“ My husband and I would like to convey our deepest sympathy to you and your family in the loss of your beloved Opal. Words are hard to express, at times like this. We truly understand the pain of losing one so dear, so we wanted to share with you something that has brought us much comfort. John 11:14-44 shows us the account of Lazarus, whom Jesus resurrected, here on earth, before the very eyes of those he loved. We can only imagine the tears of joy, when we too, are reunited with our dear loved ones. (John 5:28) I'm sure Opal will be missed by many of those who's lives she touched, cherish the memories you shared together and may you find comfort from the scriptures and those who surround you at this very difficult time.
