“ Rusty, Sean and Matthew, I'm so sorry for your loss. I started work with Pat in 1989, when we both started in CPG. Paula, Kaye and Pat took me under their wings and we became close friends. Even after they retired we tried to keep in touch. I really wanted to be there to show my respects but health held me back. She will always have a special place in my heart. I loved my friendship with all of them. My prayers and love goes out to all of you and I also have a special place in my heart for all of you. God bless and be with you always. Shirley Hubbard
